

Dear Parents and Carers,

Hope you have enjoyed the summer. We are all very much looking forward to welcoming everyone back into school on Tuesday 8th September.

I have attached the letter again should you have misplaced it from before the summer holidays.

Main things to remember:

- Children are returning to their 'old classrooms' the ones they were in back March. For the first week.
- There is a one way system on site Entry is via the top gate near the car park. Exit is via the bottom/main gate.
- Children will need a named water bottle.
- No big bags i.e. back packs allowed in school.
- Lunchboxes are to be taken into the classroom not the canteen.
- School uniform to be worn as usual
- Children to wear PE kits for their PE days – Friday is a PE for everyone. (Teachers will advise additional days via newsletter)
- Parents are not allowed in the building.
- Goodbyes need to be said at the parents' shelter and children to go into school via the playground and parents are to walk down the path near the field.
- Staggered starts and finishes to reduce the possibility of congestion.

Drop off	Pick up
Class 1 8:45am	3.05pm
Class 2 8:50am	3.10pm
Class 3 8:55am	3.15pm
- If more than one child, go with the youngest child's timings.
- Inhalers need to be returned to school in a named bag – place in the box at the gate.
- Parents are asked to leave the school playground as soon as they have collected the playground.

The school office will be open Monday 7th September if you wish to ask anything- please remember to phone or email.

Kind regards,

Miss Vasey and the Hawes Team
