#### Wensleydale Triathlon Cake Stall

Hazel has been approached about whether we would like to have a cake stall on the community field for this years triathlon on Sunday 16<sup>th</sup> August. We decided if there were enough people available to help on the day then we would have a stall – we have made around £240 the last two times we've done it. Hazel, Anna, Jackie, Emma & possibly Di are available to help on the day.

Anna will produce a flyer with return slip asking for donations of baked goods to go out before the holidays. Di will check about using the gazebo again. Emma said we could use the gala tables which are already on the field but we will need table cloths. Di will check on the location of the banner – in school? Dalesplay?

#### Any Other Business

We set a date of 27<sup>th</sup> November for the Christmas Fair – Di will check the date with school.

Anna will produce a newsletter summarising the year like she did last year and get this out before the end of term.

Anna will approach Mrs Dooley about mentioning the PTFA in her welcome talk for the new nursery parents on the first day back after the summer. It has been mentioned to us in the past that parents aren't always aware of the PTFA and what we do.
