'Not just a school – taking our learning to other places'

16th October 2020

Dear Parents and Carers,

RE: Parent, Carer and Visitor Behaviour Policy

We believe that our school is a friendly and welcoming place where our children and staff can feel safe. However, this unfortunately has not been the experience in all schools around the County. There have been increasing instances of aggressive and inappropriate behaviour by parents and carers.

We do not expect or anticipate that this would happen in our school. However, as an academy trust and school we believe that it is important that there is a consistency of expectation of behaviour for the wellbeing of our children and staff. We are considering the adoption of a Parent, Carer and Visitor Behaviour Policy so that everyone is clear what is, and what is not acceptable behaviour, and what action the school will take to protect its children and staff if the Policy is not observed.

Before we make any further decision we are consulting you as a parent or carer of a child at our school and would be very pleased to hear from you with your comments for or against adoption of the Policy over the next 4 weeks.

The proposed policy is attached. Thank you for your co-operation.

Yours faithfully,

H Vasey
Headteacher
