

22<sup>nd</sup> December 2017

Dear Parents and carers,

### **Start of the day**

From January children will come straight into school at the start of the day rather than waiting on the playground. We have had a few minor accidents on the playground and it is a busy place with so many children, mums, dads, toddlers and pushchairs so by coming in this will reduce these incidents. It will also make a smoother start to the day and teachers will be able to greet their children and have a quick chat before learning starts.

### **Routine**

The gates will open at 8:45am as usual and children will be able to go straight into classrooms where teachers will be. This means that there is a more relaxed start to the day and children will be ready to settle down to their learning once the register has been taken.

### **Parents talking to teachers**

If parents want to talk to a teacher, we ask that you do this by going to the office and talking to Mrs Alderson (Dawn) first or catch them at the end of the day when they see their classes out.

### **Corridor safety**

For health and safety reasons, we cannot allow parents to come into the school with their children to hang up coats etc as the corridor would be too crowded and therefore cause more accidents which we are trying to reduce.

We thank you for your support with this change.

H Vasey
