Wishlist

Discussion was had with regard to the items on the wishlist

Computers – Schools IT budget has been spent installing wi fi throughout the school as what was in the school was not sufficient. The schools computers have come to the end of their technological life and now need replacing, this has happened sooner than the school anticipated. The computers would be spread across all the school so ALL children would access them.

Trips- Parents felt it was important for the children to have these trips as living at the top end of the dale can be restrictive.

It was decided to support the following items:

£800 transport for each class to have 1 trip

£1000 KS2 residential

£900 for 3 visits by external company

£300 for visiting author/musician

£300 for signs for the playground.

It was discussed about speaking to the Wensleydale Theatre Group to see if they could possibly work with the school on a project.
