Class 1 and 2's trip to Williamson Park.

Last week we had a trip out to Williamson Park which was very kindly funded by the PTFA, the children all had an amazing time and learnt lots of new facts about butterflies, mini-beast and what can be found in a woodland habitat. Some of them were also very brave at holding a cockroach, snake and African land snail.

"On Tuesday we got on the bus to go to Williamson Park and we met our instructors who would show us what to do. We went to the butterfly house. When we stepped into the butterfly house it was boiling so I had to roll my sleeves up. We went into a cave and saw some animals and mini-beasts but some of them were very hard to find. We also saw some meerkats and monkeys. The meerkats were my favourite because they were cute and funny, but they were also climbing on things like big bits of wood. Then we went mini-beast hunting and my group found lots of mini-beasts like millipedes, worms, slugs, spiders and woodlouse. We went to go and see some fish, but they were so small I could hardly see them. Then we went to go and have our lunch and it was delicious. After that we went to the play park and it was so fun. There were some swings, a pirate ship and a spinning cup. After we had to go, and I wish we could go again" By Chloe Berry

What is coming up in school ?

using the songs they have been learning in school. We are working towards raising funds for future building work in our church which would include a kitchen to make the building more readily accessible and usable for community events. The plan would be to sing without a break for between 45-60 minutes, with each minute being sponsored. (If we do an hour that will be amazing). Each child has been given a sponsor form and we would be grateful if you could help your child collect sponsors.

CDs of the songs the children know will also be available to buy so the children can sing along at home! You can order to buy now (available from school) or on the day, all at a reduced price of £5 each. (Again, all proceeds to go to St Margaret's Church Kitchen fund.) The event will take place on Thursday 18th July at 2pm.

Class 3 Trip

Class 3 will be going on a trip to the Railway Museum in York on Tuesday the 16th of July. This term we have been learning about the first railways. The trip will allow the children to see the actual trains that we have been learning about and we will also be having a go on the Mallard simulator.

They need to be in school at **8.20am** for registration as they will be leaving at **8.30am prompt** travelling on Foster's coach and they should be back at school for approximately 4pm. Please arrange to collect your child from school NOT the car park. Children will need a packed lunch and drink, in a rucksack. School is providing one for those children who have requested one. **We would like to thank the PTFA who are paying for the whole trip so there isn't a cost to parents.**

Class 3 and 4 Production CINDERELLA ROCKERFELLA

We have been reviewing our safeguarding arrangements and have reviewed the photography policy in light of current safeguarding advice and are making changes as a result of this. In order to safeguard all children no photographs or filming will be permitted on school grounds.

I will take photos of children who are able to be photographed so that you can have a photograph record of the production. These photographs will be available on the website for parents to download. By doing this, we can ensure that no photos of children who do not have permission to be photographed are accidentally taken and shared via social media.

In addition, in light of safeguarding and fire safety advice, we will be employing a ticket only entry to the performances. Each family will be able to request 4 tickets for each of the performances (4 for afternoon and 4 for evening performance). Any additional tickets can be applied for through the office. Any parents wishing to bring young children should try to attend the afternoon performance. Please complete the slip indicating how many tickets you request and for which performance by **12 noon on Tuesday 9th July**. This will allow time for any additional tickets to be given out. Tickets will be issued on a first come first served basis.

We appreciate that this is a change to previous years; however, I am sure that you understand that we have to take these measures to ensure the safety of all of our children. Thank you for support.
