What's happening in school and beyond?

Key Stage One SATS

Year two will be completing their SATs during the week of 20th May, these are compulsory assessments that must take place during May. Please could all year two parents ensure that holidays from school are not taken during this week. Thank you.

Dear Year 6 - Well done everyone!

I was very proud and privileged to witness you, our Y6 group, sit your end of primary school assessments with independence, determination and confidence. You really demonstrated the school values in the way you tackled the challenges.

As we've told you, the SATs tests do not assess everything which makes you special and unique. The people, who set, mark and set the boundaries for these tests don't know you like we do. They don't know the journey to independent learning which you have travelled.

They don't know that you attend numerous clubs, both in and out of school. They have not seen your natural talent for martial arts, street dance or drawing. They don't know that you enjoy PE and have represented your school in team events. They don't know that you think a lot about your future or sometimes help out at the farm during lambing time. They don't know which football teams, you support, how you might like having your nails done or that you have your own firewood business. They don't know how you have helped your buddy settle into school life and how you have bent down to help tie their shoe lace or do up their coats. They don't know how you are a great bunch of young people who support and help each other and like to spend time playing 'Ninja' altogether– But we do!

The scores you get from your tests will tell you something, but they won't tell them everything.

Thank you for being such great role models!

We have had a reported case of head lice in Class 2. Please check your child's hair and treat if necessary. Thank you.

All sessions are weather dependant and may change.

Please make sure that your child comes supplied with old clothes, lace up shoes or trainers and wellingtons if caving or gorge walking **no jeans, lots of layers are needed**, waterproof jacket (and waterproof leggings if you have them), gloves and a warm hat. Some of the planned activities may have to be reorganised if the weather poses a health and safety risk.

Y1/2 Multisports

All children in Years 1 and 2 will be attending a cluster multisports event at Catterick Leisure centre on Friday 7th June. They need to be in school for 8.20am as they will be leaving at 8.30am prompt (we cannot wait for late arrivals) and will be back at school for lunch.

Children will need to come to school in their P.E kits and bring their uniform with them. They will also need a water bottle.

Reminders

PE Kits

In case of wet weather, children will need to bring navy/black jogging bottoms and a t-shirt, sweatshirt and a pair of trainers (with a plastic bag to put their trainers in if they get muddy).

Please ensure that your child can do PE by ensuring that their PE kit is in school ALL WEEK. It is very upsetting and embarrassing for those children who don't have PE in school. We do have spare kit which we lend out, but it is important that children are adequately resourced for their learning. We would expect that the child is taking responsibility for physically bringing their PE in to school.
