

Weekly Newsletter

Summer term – Issue 34 – Friday 2nd July 2021

Dear Parents and Carers,

We thought we were doing so well having not to have to close a bubble but inevitably we were going to have to at some point, and this was the week. As you are aware, we have had a positive case in school, and this is something which is beyond our control. Thank you to all the parents of Class 1 who were met at the gate and were informed by Miss Caygill. It is not what any teacher wants to have to do – send children home let alone at the school gate. Thank you for your understanding at this difficult time.

As a result of this bubble closure, we are saying that pick up times will change for Friday 2nd July to Friday 9th July – Class 2 - 3:10pm and 3:15pm for Class 3(unless they have a sibling in class 2 then they will go at 3.10pm).

Hope that the weather holds out for a lovely weekend.

Miss Vasey

Parking

Please DO NOT park your cars long ways on from the recycling, or in front of car spaces as this is causing congestion, and is also dangerous when parents come out of school with their child/ren. Thank you for your support with safeguarding all of our children.

Star Learners for this week

Class 2- **Hannah** for working really hard Geography to research famous rivers from around the world! And **Ollie** for working hard in our English lessons to plan a super non-chronological report, well done! 😊

Class 3 – **Paige** for excellent effort in Maths work on the properties of shapes. **Aidan** for super work in developing his balanced argument in English.

Attendance

Weekly attendance for Monday 28th June – Friday 2nd July : 88.52%

Office Updates

Alternative arrangements for collecting children

Please can you let the school office know in advance if someone else is collecting your child from school at the end of the day. We need to safeguard all children in school. Thank you for your help with this.

Class1-spare clothes

We are looking for any spare leggings, shorts, pants and socks that you may not need any more at home. This will help us with changing children after small accidents in school. Thank you for your help with this. Please send them into the school office.

Parentpay- Important!

Please ensure all outstanding debts are cleared on Parentpay before the end of term as our financial year end is the end of August. Year 6 parents please try to add funds just to cover your child's meals up to the end of term to avoid us having to do refunds. Thank you

What's happening in school?

Class 2 Dales Countryside Musuem Visit

This week Class 2 visited the Dales Countryside Museum to see the 'Story of Schools' exhibition. We had a Victorian school lesson from John

Iveson, who told us all about what life would be like if we had been at school in Victorian times. We then had a chance to look around the museum and we even spotted some of

ourselves on the 4.5 metre photo mosaic!

Clubs

Wednesday – Fielding and Striking - Reception, Year 1 and 2
3.15 – 4.30pm

Friday – Multi-skills 3.15 – 4.30pm – Classes 2 and 3

Nursery Lunch - Reminder

Nursery children are having lunch in school on **Tuesday 13th July**. This is in preparation for them starting in Reception in September. Miss Guy will make their lunches earlier for them (11.30) so that they can still be picked up at their usual pick-up time. **N.B** Please bring **£1.90** (this is the revised price) in cash either before or on the day not via Parentpay as previously stated. Thank you.

Autumn School Menus

Please return the completed to school as soon as possible please, to give time to input their choice so it is ready for next term. Thank you

Community News

Thank You Day

Thank You Day

We all have someone to say thank you to this year. Let's get together and make Sunday 4th July Thank You Day. #ThankYouDay

www.thankyouday.org.uk

www.thankyouday.org.uk

The website will give you lots of information and there's a short video as well

Loving Earth Project comes to Bainbridge

We would love you to take part in an exciting event in July. Quakers in Bainbridge are holding an exhibition in the Meeting House of panels of artwork, made on and with fabric, from July 16th - 27th, from 10.00am - 4.00pm. The collection is part of a national event called The Loving Earth Project was initiated by a small group of Quakers in the Quaker Arts Network, and is spreading to other groups in Britain and abroad. The intention is to display them in Glasgow in preparation for the International Climate Change conference: COP26 in November and to tour elsewhere thereafter.

<http://lovingearth-project.uk/>

Individuals and groups all over the country have explored how the future of something, someone, or somewhere that we love is affected by our own actions.

This exhibition will include personal responses from local people from all areas of life, and some who have connections here, including John Craven.

Bainbridge, Askrigg and West Burton Schools are also going to make their own panels to add to the exhibition and some local people are busy preparing theirs. Would you like to make a panel too?

We look forward to seeing you there. Maybe you may also like to be photographed with your favourite piece and record what makes it special to you.

School Website Update

School Website - <http://www.hawes.n-yorks.sch.uk/>

You can find newsletters on the school website – (under news).

Our school milk scheme is administered by Cool Milk. To register your child for school milk, please visit <https://www.coolmilk.com/register>

If your child is under 5 they will have been registered using the bulk registration process but **parents still need to register using the form/website**. They will then get an e-mail when their child turns 5 reminding to make payment for milk when their child turns 5, in line with School Food Plan legislation.

There are also links to Parentpay and Cool Milk on the home page. **Please remember not to pay for milk if you are going on holiday as they do not give refunds**. You need to pay for dinners and milk in advance.

Holiday dates are on the website for parents to refer to. There is also a link for a free school meals application, **please apply if you are eligible as school gets an amount per child to assist with their learning and to help with the cost of trips etc.**
