Office Updates

COOL MILK

We wish to make you aware that for deliveries **from 01/07/21** onwards, Cool Milk will increase the price of milk for over-5 children from **22p to 23p** per 189ml portion per day. Under-5 children will continue to receive milk free-of-charge.

The new price is driven by recent increases in the prices that we pay our dairy partners and by ever-increasing overheads. Food prices have increased nationwide as farmers and distributors strive to maintain a sustainable business whilst confronted by significant increases in the cost of their feed, fuel, packaging supplies and general operating overheads.

This increase will be clearly displayed on any SPS invoices (if applicable) and pre-payment requests sent to parents for milk from July onwards.

Should you have any queries, please do not hesitate to contact our dedicated customer service team.

Kind regards,
The Cool Milk Team

Alternative arrangements for collecting children

Please can you let the school office know in advance if someone else is collecting your child from school at the end of the day. We need to safeguard all children in school. Thank you for your help with this.

Class1-spare clothes

We are looking for any spare leggings, shorts, pants and socks that you may not need any more at home. This will help us with changing children after small accidents in school. Thank you for your help with this. Please send them into the school office.

School Website - <http://www.hawes.n-yorks.sch.uk/>

You can find newsletters on the school website – (under news).

Our school milk scheme is administered by Cool Milk. To register your child for school milk, please visit <https://www.coolmilk.com/register>

If your child is under 5 they will have been registered using the bulk registration process but **parents still need to register using the form/website**. They will then get an e-mail when their child turns 5 reminding to make payment for milk when their child turns 5, in line with School Food Plan legislation.

There are also links to Parentpay and Cool Milk on the home page. **Please remember not to pay for milk if you are going on holiday as they do not give refunds**. You need to pay for dinners and milk in advance.

Holiday dates are on the website for parents to refer to. There is also a link for a free school meals application, **please apply if you are eligible as school gets an amount per child to assist with their learning and to help with the cost of trips etc**.
