

## Weekly Newsletter

**Summer term – Issue 28 – Friday 14<sup>th</sup> May 2021**

Dear Parents and Carers,

As you already know we have planned to have a remote parents evening via Microsoft Teams for all parents. We recognise that this is a new experience but there will be some familiar organisation processes. You will book a slot as usual via e-schools and then you will be sent a Teams meeting invite. Everyone should have received their login details from the office, if not please pop in to collect. Here is the link <https://hawes-primary.eschools.co.uk> to log in.

Booking opens today and closes on 21<sup>st</sup> May 2021 at 12 noon - There won't be the facility to book after the closing date on e-schools so you will need to book by this date and time.

Teams meeting appointments will be sent to your child's team log on.

The focus of the parents evening will be to discuss – emotional well-being, social skills, how your child has adapted to being back in school. As a result of the lockdowns, all children will effectively 'be behind' where they should be, however teachers will be able to discuss how their pupils are working in class and what they need to focus upon to support 'catching up'.

Have a lovely weekend,

Miss Vasey

## Office Updates

### School Dinners

Starting Thursday w/b 31<sup>st</sup> May (week 3) the menu will be changed from macaroni to spaghetti Bolognese. Please let us know if your child would like the alternative of baguette or jacket potato instead, otherwise we will serve your child with the Bolognese, if they normally have macaroni that day.

### School Uniform

We are noticing that some children are coming into school on non-PE days wearing their trainers. We ask that children return to school uniform, including black school shoes on non-PE days. If there is a problem, please mention it to your child's class teacher.

Thank you to those parents who have named jumpers it has meant that jumpers do get back to their rightful owners, eventually.

### School PE Kit

A reminder that children are asked to wear a white t-shirt and shorts/jogging bottoms with the normal school sweatshirt. We are seeing hoodies and sports tops and would request that children wear their Hawes School sweatshirt. Thank you for support with this request.

If your child is under 5 they will have been registered using the bulk registration process but **parents still need to register using the form/website**. They will then get an e-mail when their child turns 5 reminding to make payment for milk when their child turns 5, in line with School Food Plan legislation.

There are also links to Parentpay and Cool Milk on the home page. **Please remember not to pay for milk if you are going on holiday as they do not give refunds**. You need to pay for dinners and milk in advance.

Holiday dates are on the website for parents to refer to. There is also a link for a free school meals application, **please apply if you are eligible as school gets an amount per child to assist with their learning and to help with the cost of trips etc**.

## Community News

**The Dales Countryside Museum (DCM) in Hawes will re-open with a special exhibition telling The Story of Schools in the Upper Dales.**

A spectacular 4.5 metre-wide photo mosaic will be unveiled to the public on Monday 17 May, as the museum celebrates the end of a six-month closure owing to Coronavirus restrictions.

*A Mosaic of Dales Youth*, created by art and design studio [The People's Picture](#) led by digital artist Helen Marshall, features nearly 2,300 photo tiles of youth and school-life in Upper Wensleydale, Swaledale and Arkengarthdale. The images were shared by local people over eight weeks in autumn 2020.

'The Story of Schools in the Upper Dales' is also told through interpretation boards, vintage and modern photographs, a short film and oral histories.

The exhibition will open at [DCM](#) on 17 May, and run till 18 July 2021. It marks the culmination of a project run by [The NASH](#) in partnership with the museum, and funded by [The National Lottery Heritage Fund](#) and the Yorkshire Dales National Park Authority's [Sustainable Development Fund](#).

Kids' activity booklets will be provided for visiting children and families and there will also be a programme for local schools run by the project's Education Officer Heather Hodgson and teacher-actor Mark Cronfield, who will be in the character of a Victorian Headmaster.

Heather Hodgson said: "We all have memories of school, some stronger than others, often evoked by smells, songs and rhymes or photographs. Come and re-live your school days by sharing in our interactive exhibition telling the story of school life in

the Upper Dales. There will be family-friendly activities, emotive displays and thought-provoking educational resources.”

Fiona Rosher, Museum Manager at DCM, said: “We’re so pleased to be able to share this wonderful exhibition at last. The museum has Covid Secure measures to keep visitors and staff safe, including timed tickets that can be booked online. We look forward to welcoming both visitors and local people to enjoy the exhibition and hope they will share their memories of school life with families and friends.”
